

WHAT THE HELL AM I DOING HERE ANYWAY?

I am experiencing division, war, poverty, famine, terrorism, fear, illness, suffering, old age, death. Life makes no sense. It is Hell on Earth!

I could simply end it here and now, and go back to where I came from. But instead, I hang on, trying to postpone the inevitable day of reckoning... Why do I put up with all of this?

Because I know deep down that all this nonsense is unreal and artificial. A little voice keeps telling me that I can live in peace, that this planet can feed all of us, that love can spread like wildfire and that happiness is just around the corner waiting to be let in. I keep listening and I hang on, trying to survive at any cost... I want to know Paradise on Earth.  
**BUT HOW?**

**That is what this book is all about. It is about:**

Finding my true creative nature.

Becoming aware that I created this Hell on Earth.

Realizing that I can just as well create Paradise on Earth!

Learning how to think, speak and behave like the divine being that I am.

Transforming my imaginary fears into love.

Discovering that life has a direction that makes sense.

Experiencing self-fulfillment.

Finding happiness.

Laughing.

Getting younger and healthier.

Living forever.

**THAT IS WHAT I'M DOING HERE!**
